

MATCH THE FLAGS

Disney•Pixar's CARS 2 sees star racecar Lightning McQueen and his loyal friend Mater travel overseas to take part in the World Grand Prix to determine the world's fastest car. Their journey takes them through the streets of Japan and Europe as they race against cars from all over the world.

With so many new *CARS 2* characters from all sorts of different countries, we want to play a game, to see if you can match the characters below with their national flags. Carefully read the words next to each picture and look at the flags below for clues. Each of the characters pictured comes from one of these countries. Some of these questions are quite tricky if you don't live in or have never been to these countries before, so don't forget to ask a grown up to help.

All you need is a pencil to draw the correct national flag for each character in the answer boxes below...

ABOUT DISNEY•PIXAR'S "CARS 2"

Star racecar Lightning McQueen (voice of Owen Wilson) and the incomparable tow truck Mater (voice of Larry the Cable Guy) take their friendship to exciting new places in "Cars 2" when they head overseas to compete in the first-ever World Grand Prix to determine the world's fastest car. But the road to the championship is filled with plenty of potholes, detours and hilarious surprises when Mater gets caught up in an intriguing adventure of his own: international espionage. Mater finds himself torn between assisting Lightning McQueen in the high-profile race and towing the line in a top-secret mission orchestrated by master British super spy Finn McMissile (voice of Michael Caine) and the stunning rookie field spy Holley Shiftwell (voice of Emily Mortimer). Mater's action-packed journey leads him on an explosive chase through the streets of Japan and Europe, trailed by his friends and watched by the whole world. The fast-paced fun includes a colorful new all-car cast, complete with menacing villains and international racing competitors. John Lasseter returns to the driver's seat to direct this follow-up to his 2006 Golden Globe®-winning "Cars." "Cars 2" is co-directed by Brad Lewis, producer of the Oscar®-winning film "Ratatouille," and produced by visual effects industry veteran Denise Ream (associate producer, "Up"; visual effects executive producer, "Star Wars: Episode III – Revenge of the Sith"). The film hits the track on 22 July, and will be presented in Disney Digital 3D™ and IMAX® 3D in select theaters.
